**Subject:** 2024 Donation to Habitat's Build Program

Dear Joe,

On behalf of Habitat for Humanity Saskatchewan, I am honored to recognize WF Botkin Construction Ltd.'s generous contribution to our 2024 build program in Regina. Your donation of concrete for the two Habitat homes completed during the 2024 construction season played a pivotal role in transforming the lives of two deserving families. These families now have a safe and stable place to call home, thanks to your unwavering commitment to our mission.

This partnership highlights your leadership in fostering community development and providing tangible support to those in need. Attached to this letter, you will find photos of the completed homes, which stand as a testament to the impact of your generosity. Thank you for helping us build strength, stability, and self-reliance through shelter. Your contributions have left an indelible mark on the lives of the families we serve.

With gratitude,

**Kelsey Stewart**
