Subject: 2025 Donation to Habitat's Build Program

Dear Joe,

Thank you for WF Botkin Construction Ltd.'s continued commitment to supporting Habitat for Humanity Saskatchewan's mission. We are delighted to confirm your generous pledge to donate concrete for two additional Habitat homes in Regina, set for completion by fall of 2025.

Your partnership significantly reduces our construction costs and allows us to focus on expanding our impact by building homes and hope for families in need. Your generosity inspires our team and the community alike, showcasing the importance of collaboration in creating a brighter future.

We look forward to working with WF Botkin Construction Ltd. on these upcoming projects and will ensure you have access to updates, photos, and other materials as the builds progress.

Thank you for helping us turn dreams of homeownership into reality for local families.

Warm regards,

Kelsey Stewart
VP of Operations
